**The workshop is free for all members.  
Travel reimbursement of up to £300 to  
the first participants.**

Location: Långberget Sporthotell,  
Värmland, Sweden ([www.langberget.se](http://www.langberget.se))

In 2005 a new Nordic network was established for PhD and Post Doctoral students within salmonid research. Today NoWPas is a global network with more than 100 members and workshops have been held with great success in Sweden (2006), Finland (2007), Denmark (2008), England (2009), Scotland (2010), France (2011), Norway (2012) and Wales (2013).

Our main objectives are to:

- 1) Arrange an annual workshop for exchanging knowledge and ideas in an interdisciplinary forum.
- 2) Emphasize the opportunity for international collaboration through existing and future projects.
- 3) Invite key researchers in order to establish future collaborative bonds.

We hope to see you all in Värmland!

**Välkomna!**

#### Schedule:

Tuesday 8th - Field trip. Start 8.30 am outside the trainstation in Karlstad. Dinner in the evening.

Wednesday 9<sup>th</sup> and Thursday 10<sup>th</sup> - Presentations (15 min talk + 5 min discussion) during the day with lunch and coffee breaks. Dinner and socializing in the evening.

Friday 11<sup>th</sup> - Breakfast 08:00 am and departure 09:00 am. Drop-off at Karlstad Bus station (11:00).

#### Travel info:

Delegates should arrive on Monday 7th April and make their way to Karlstad via Bus/Train.

Recommended Airports: Göteborg, Stockholm, Karlstad

To get to Karlstad: Busses and trains run frequently between Göteborg and Karlstad as well as between Stockholm and Karlstad. The traveltime is about three hours.

For information about busses: [www.swebus.se](http://www.swebus.se)

For information about trains: [www.sj.se](http://www.sj.se)

There will be a meet and greet event at 7.30pm Monday evening in Pitchers Bar, Stora Torget, Karlstad.

Book a one night stay in Karlstad on the evening of 7<sup>th</sup> April. A list of recommended accommodation will be provided before the workshop. A coach will drive us to the workshop venue on Tuesday 8<sup>th</sup> April and then back to Karlstad on the day of departure.
