SIDE EVENT ON FEED SAFETY

Beijing, P.R. China, 14 April 2015

Soon after the closing of the afternoon plenary session

Governmental competent authorities and private sector have repeatedly emphasized the need to raise awareness of food safety specialists and responsible authorities on the importance of ensuring safety of animal feeding. For this reason, as part of its capacity development activities FAO, jointly with WHO and the Codex Secretariat, is organizing a series of events addressing feed safety to be held in conjunction with relevant Codex Alimentarius Committee and events.
