

FAO LIVESTOCK TECHNICAL NETWORK - Webinar Guidelines

Series of Webinar/Seminars on Animal Health Risk Analysis -

27 October - 2 November - 7 November 2016, from 12.00 am - 13.00 pm (GMT +2) -

- ▶ Possibly connect with a broadband internet connection (hard line is more stable than wifi), using Internet Explorer or Safari.
Close all other programmes which are using an internet connection.
Have your microphoned headsets ready and plugged into the computer.
- ▶ Run the diagnostic test.
If asked, please allow the installation of the Add-in. It will ensure that your computer and network connections are properly configured to provide you with the best possible Adobe Connect meeting experience:
http://fao.adobeconnect.com/common/help/en/support/meeting_test.htm
- ▶ Make sure that Adobe Flash Player is installed, at least version 10.1, or download it here:
<http://get.adobe.com/flashplayer/>

- ▶ To register for the meeting, please use this link:
http://fao.adobeconnect.com/risk_analysis/

Once the meeting host accepts you into the meeting, the meeting room interface appears.

- ▶ To hear the audio, you need to have the speaker on.
Please be sure that the volume icon, on the upper bar menu, is green.
- ▶ You can directly chat with everyone in the Technical Chat Pod or write a private message to any of the other participants.
- ▶ If you have technical questions, you can use the Technical chat or write to:
fao-livestock-network@fao.org
