

Japan-Caribbean Climate Change Partnership Technical Training Needs Assessment¹

Project Summary: The Japan-Caribbean Climate Change Partnership, a project funded by the Government of Japan and implemented by the United Nations Development Programme Sub-regional Office for Barbados and the OECS, seeks to strengthen the capacity of countries in the Caribbean to invest in climate change mitigation and adaptation technologies. The Partnership brings together policy makers, experts and representatives of communities to encourage policy innovation for climate technology incubation and diffusion.

Please take a few moments to complete this survey, noting that your responses are voluntary and confidential. Should you have any questions about this survey, they can be submitted to penny.bowen@undp.org

1. What is your sex?

☐ Female ☐ Male

2. What is your year of birth?

3. What is the highest level of education completed?

☐ Completed primary school ☐ Did not complete secondary school ☐ Completed secondary school
☐ Some college but no degree ☐ Bachelor's degree ☐ Master's degree ☐ Doctoral degree

4. How many years of farming experience do you have?

☐ Less than 2 years ☐ 3-5 years ☐ 6-10 years ☐ More than 10 years

5. Which of the following best describe your work?

☐ Farmer ☐ Technical Officer ☐ Extension Officer

6. Do you think climate change is impacting your agricultural activity?

☐ Yes ☐ Maybe ☐ No

7. If yes, in what ways? Kindly describe in as much detail as you can.

8. What are your main concerns/problems regarding current agricultural activities?

¹ Adapted from SNV. 2013. Training Needs Assessment for the Project for Agricultural Development and Economic Empowerment (PADEE). Available at: http://www.snv.org/public/cms/sites/default/files/explore/download/training_needs_assessment_padee_2013.pdf

9. What is the size of your agricultural land (acres)?

- ☐ No land
 ☐ Less than 0.5 acres
 ☐ 0.5 to 1 acre
 ☐ 1 to 3 acres
☐ Greater than 3 acres

10. Do you own or lease the land you currently use for agricultural activities?

- ☐ Own all
 ☐ Lease all
 ☐ Part own and part lease

11. What agricultural products do you produce?

12. What is the main use of the agricultural products you produce?

- ☐ To sell
 ☐ For personal use
 ☐ Both

13. Have you previously received training or extension services related to your agricultural activities?

- ☐ Yes ☐ No

14. Please specify areas for agricultural training which you believe will help reduce the negative impacts of climate change. Kindly list them in order of preference and be as specific as you can.

15. To what extent are you familiar with low tillage or no tillage practices?

- ☐ Not familiar ☐ Familiar but do not practice ☐ Familiar and practice

16. If you/persons you know practice low tillage or no tillage, please describe your experience with it, including benefits or problems you may have encountered.

17. What is the best month of the year for you/colleagues to receive agricultural training?
