

WORLD RABIES DAY

WEBINAR

28 SEPTEMBER 2017

Central European Time: 13: 00 - 14:00 (EN); 14:00-15:00 (FR)

Please use this website to check the time in your zone: <http://www.timeanddate.com/worldclock/>

On **WORLD RABIES DAY**, we would like to invite you to a webinar, organized by FAO to create awareness about the FAO/OIE/ WHO/GARC global plan to end human deaths from dog-transmitted rabies by 2030.

Speakers will also zoom in on Asia and Africa.

The first hour will be held in English and the second in French. You are warmly welcome to join us!

AGENDA (English) 13.00/13.55

- Opening speech (10 min)
- United Against Rabies plan for elimination of dog-transmitted human rabies deaths by 2030
April Johnson (15 min)
- Rabies control in a diverse Asian context
Katinka DeBalogh (15 min)
- Update on FAO involvement on Rabies control in Africa
Charles Bebay (15 min)

AGENDA (Français) 14.00/14.55

- Discours d'ouverture (10 min)
- Plan du consortium « Unis contre la rage » pour l'élimination de la rage humaine transmise par les chiens d'ici 2030
Charles Bebay (15 min)
- le contrôle de la rage dans le contexte asiatique
Katinka DeBalogh (15 min)
- Control de la rage - plan opérationnel de la FAO en Afrique
Angélique Angot (15 min)
