

**NDDB Foundation for Nutrition celebrated World School Milk Day
on 25 Sep 2019**

World school milk day is celebrated on the last Wednesday of the month of September every year across the world to promote School Milk Programmes. This year World School Milk Day was celebrated on 25th September 2019.

NDDB Foundation for Nutrition, Gujarat (INDIA) celebrated World School Milk day in its programme schools in Gujarat, Maharashtra, Jharkhand and Telengana. Talks on importance of milk for good health and competitions like quiz/drawing and essay on Milk nutrition were organised for creating awareness about benefits of milk consumption among the children.

Children participated in the competitions enthusiastically and expressed their joy of receiving milk under the Giftmilk programme through drawings and essays. The World School Milk Day celebration was concluded with distribution of milk to the children.

Glimpses of celebration are as follows:
