08:35 – 09:05  
(British Time)

**Wednesday**  
**November 17, 2021**

Day 2 – November 17, 2021

08:00 - 08:30  
(Iran Time)

Hybridization in Weed and Invasive Plant Populations and How  
this Affects Management  
**Sara Ward**, Montana State University, U.S.A

22:30 – 23:00  
(Bozeman, MT, USA time)  
Tuesday, November 16

08:30 - 09:00  
(Iran Time)

Weed Mating Systems: Implications for Management  
**Mohsen Beheshtian Mesgaran**, California University, Davis, U.S.A

22:00 – 22:30  
(Davis, CA, USA time)  
Tuesday, November 16

10:05 - 10:35  
(Iran Time)

Using Sorghum for Organic Weed Management in Conservation  
Rice-Wheat Cropping System  
**Muhammad Farooq**, Sultan Qaboos University, Oman

10:35 – 11:05  
(Oman Time)

---

10:35 - 11:05  
(Iran Time)

Proactive Studies of Herbicide Resistance Evolution and  
Management

08:05 – 08:35  
(Taastrup, Denmark Time)

**Paul Neve**, University of Copenhagen, Denmark
