

# How can local organisations working with nature build and spread resilience?

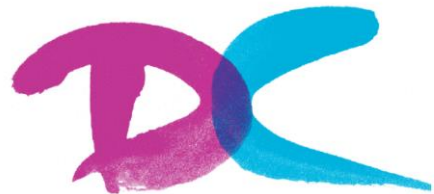

10 November 2021, 12:00-13:30 GMT

This is a virtual event as part of the **Development & Climate Days**  
([www.dandcdays.com](http://www.dandcdays.com))

Please register here for free: [www.eventbrite.com/e/development-climate-days-2021-dc-days-tickets-188301834857](http://www.eventbrite.com/e/development-climate-days-2021-dc-days-tickets-188301834857)

Please join this interactive session to discuss why and how local organisational and associational capability is fundamental for nature-based solutions to be sustained.

The session will have live translation between English and Spanish.
