

# Mountain Education and Innovation Manifesto (MEIM) *Subscription*

The Manifesto aims at promoting the development of policies and educational activities in line with the needs expressed by the youth living in mountain areas.

Are you up to the challenge?

**Subscribe to the Mountain Education and Innovation Manifesto!**

## WHEN

**November 26th 2021:** deadline for subscribing to the MEIM

**December 1st 2021:** online networking meeting with the manifesto subscribers

## WHO

Schools, Universities, Ministries/Policy makers, Institutions, Associations, Companies (e.g. SMEs)

## WHAT ARE WE ASKING YOU?

- **To increase the attention** on mountain specific topics through means of promoting awareness raising activities at the global, regional and local level;
- **To implement connections and networking activities** for people living in the mountains;
- **To request a revision** of school & universities curricula with the inclusion of mountain specific topics (such as mountain ecology, geography, environmental management)
- **To demand opportunities** for young entrepreneurs in mountain areas

## WHY SHOULD I SIGN THE MEIM?

Thanks to your support, we will take a step forward towards **promoting sustainable practices for mountain areas and territories overall!**

Mountain Partnership

Are you interested in activating strategic activities?
