Dear Colleague(s),

It is with great pleasure to inform you that we are inviting papers and articles for our quarterly **GRASSROOTS JOURNAL OF NATURAL RESOURCES**. Started in 2018, this journal is an open access, double blind peer reviewed International Journal covering wide range of topics related to natural resource, natural resource management and environment. Some topics are illustrated on web page: <https://grassrootsjournals.org/gjnr-aims-scope.php#aims>. Current issue and the past issues of the journal are openly accessible at: <https://grassrootsjournals.org/gjnr/index.html>. Our journal is indexed by WEB OF SCIENCE (covered by Biosis Preview, Biological Abstracts, Biosis Full Coverage Unique, Zoological Record, and CAB Abstracts), EZB, SHERPA, EuroPub, Index Copernicus, WorldCat, FAO-AGRIS, etc. Our journal is under evaluation for **WoS Core Collection**.

The Article Processing Charges (APC) for 3 different categories of countries are mentioned on the link <https://grassrootsjournals.org/article-processing-fee.php#Processing-Charges>. We provide different 3-4 categories of eligible discounts. **Our journal is among several class journals that execute rigorous editing process (minimum 3 rounds) under strict technical and language norms.**

Since we have announced 2022 December issue on **Mountain Natural Resources and Sustainable Livelihoods (with emphasis on Agroecology)** in view to celebrate **International Year of Mountains 2022**, you are invited to submit your quality/original research or review papers having 3000-8000 words or more. Other topics are also invited. You are also requested to mobilize your associates, students or colleagues to send their submissions. Authors are requested to follow the Author Guidelines <https://grassrootsjournals.org/gjnr/file/author-guidelines.doc.docx> and General Guidelines <https://grassrootsjournals.org/for-authors.php>. Our rigorous exclusive editorial process is explained on the page <https://grassrootsjournals.org/editorial-process.php>.

We look forward to receiving your manuscripts. Thank you!
